## Anti-Spam Policy

For the purpose of this policy, **SPAM** is defined as emailing **ANYONE**, in bulk or by single mailing, about **FREE**netleads.com, who has not specifically requested the information directly from the operator. The **ONLY** exceptions being:

- Mailing to **APPROPRIATE OPT-IN** mailing lists where the source does the mailing on the operators behalf. However, use extreme caution when choosing an opt-in mailing list company! Using anything but the most reputable sources could generate **SPAM** complaints against operators, resulting in suspension or termination
- You may include information on **FREE**netleads.com in email Acknowledgement Messages for orders and inquiries that you receive so long as it is stated upfront that you will be sending them an acknowledgement.

**FREE**netleads.com also considers **ANY** type of advertisement about **FREE**netleads.com posted to a Newsgroup or Chat Room to be **SPAM**.

If you know of a member who has used **SPAM** to promote their **FREE**netleads.com website please see below.
